The Japan Association of National Universities

Technology Innovation and Social Engagement for Sustainable Development

The 1st SEAMEO RIHED-JANU Seminar and Study Visit to Japan

23—29 June 2019

Visit **Osaka, Kobe** and **Kyoto** in Kansai region of Japan to gain insights and exchange expertise on topics including:

- **Assistive Technology for Inclusive and Ageing Societies**
- **Innovation for Environmentally Sustainable Societies**
- **Disaster Preparedness and Management**
- **Preservation of Cultural Heritage**
- **Research Collaboration**

The Seminar and Study Visit will provide participants with informative and interactive opportunities to discuss the roles as well as contributions of higher education institutions towards sustainable development and overcoming global challenges.

About the Seminar and Study Visit

SEAMEO RIHED and the Japan Association of National Universities (JANU) are co-organising the 1st SEAMEO RIHED-JANU Seminar and Study Visit to Japan from 23—29 June 2019 on the theme of Technology Innovation and Social Engagement for Sustainable Development. Seize this unique opportunity to join a guided-visit to leading institutions in Japan and advance cooperation between your institution and Japanese counterparts!

Tentative Programme Highlights

- Visits to leading institutions including Kansai University, Kobe University, Kyoto University, Osaka University and Ritsumeikan University.
- A unique Seminar hosted by JANU to promote collaboration and linkages between Southeast Asian institutions and Japan.
- Special visits to The Great Hanshin-Awaji Earthquake Memorial as well as other important historical and cultural sites in the Kansai region of Japan.
